COMMENT: A person aged 15 or over is defined mainly employed during the reference year if one of the following requirements is satisfied:

- has earned more than NT\$ 95,000 during the last 6 months, or has worked as an employer or self-employed without recorded pay; or
- is on paid leave due to certain reasons; or
- has worked more than 15 hours per week (for full-time employees) or more than 3 hours per day (for unpaid family workers); or
- is attending an evening school but has worked as part-time employee during more than 6 months and has earned at least NT\$ 95,000 in the year.

COMMENTS: Note that this is positive for the largest part of the employed persons (including the marginally employed) and zero for the largest part of the not employed. Selecting employed persons only (both mainly employed and marginally employed), this can be used as an approximation of number of weeks worked.
