Recoding was not carried out.

There is a mix of levels, both in "other post-school qualifications" (code 3),
                         as well as in "no post-school qualifications" (code 9).

If LIS users want to pursue a recode they may do so on their own responsibility.
The mapping below may serve as suggestion.
The problematic category is pointed out.
