LIS Visiting Scholar Program Application

Individual or Joint Project:

Last Name: **First Name:**   **Title:**

Department/Research Group:

Institution:

Street name and number (or PO Box):

City: **Postcode:**   **Country:**

Tel: **Fax:**

E-mail:

Nationality:

Native Language(s):   **Knowledge of English:**   ☐ good   ☐ fair   poor

Research status: ☐ undergraduate   graduate   ☐ post-doctoral researcher   ☐ experienced researcher

Suggested research period at LIS: **Number of days:**

Are you a new user of the LIS?

Where did you hear about the LIS?

Will you be requesting on-site access to the LIS Data?   ☐ YES   ☐ NO

If "yes", which datasets will you be using?

What is your preferred statistical software?   ☐ SPSS   ☐ STATA   ☐ SAS

What is your level of experience using this software and will you require other software?

Project Summary

Please attach a description of your proposed research. The summary (in English) should not exceed three (3) pages and should identify the hypotheses to be tested as well as describe the datasets, variables and methods to be used. In the case of a joint proposal, the role of each participant should be defined. Finally, please attach a copy of each applicant's Curriculum Vitae.

Letter of Support

Student applicants will need a letter of support from their supervisor or a professor who has had sufficient opportunity to access the individual's potential. The letter of support should be sent directly to the address below.

By submitting this form, upon the successful evaluation of my application, I agree to publish the results of my research in the LIS Working Paper Series and to, upon request, provide a brief report on my research stay.
